# PRESIDENT'S MESSAGE

Box 1225  
Austin, TX. 78767  
512/453-0409

A year of hard labor and worry had the reward so rightly deserved as exemplified in the success of the 1979 Texas Numismatic Association annual convention held in Amarillo April 20-22.

The Amarillo Coin Club under the leadership of Nela Runkle, and the general chairman for the convention, Tommy Tompkins, along with all his committees deserves the accolade of each person in attendance.

The facilities at the Civic Center are more than adequate. The Travelodge Motel was comfortable and the owner-manager and his staff most courteous.

We who were in attendance as usual made plans for improvement

## LESLIE WHITE DIES

Leslie White, 56, of Amarillo died recently. Services were held under the direction of Schooler-Gordon Funeral Home.

Mr. White was born in Hedley and had been a resident of Amarillo 31 years. He was a retired Greyhound bus driver with 31 years of service and was a veteran of World War II. He was a member of Westminister Presbyterian Church.

Survivors include his wife; a son, a daughter, a brother; and a sister.

and growth of TNA in this and future years. TNA is not a one-man or one group organization but an organization for the advancement of numismatics in Texas with each and all members participating. As all members are unable to attend the annual meeting, those in attendance after due deliberation, do make plans for all, hoping that each member will support these plans with enthusiasm.

Our goal for this year is an increase in membership of 25 percent. To do this we will need to secure about three times the number we have signed in each of the past several years. There is an annual loss of about ten percent due to various reasons.

Each officer, both elected and appointed, is charged to meet his obligation and responsibility in talking to clubs and individuals to attain this goal.

If there is a club without a TNA and ANA club representative please appoint or elect one.

To each and every one of you, I covet your help and constructive suggestions.

There are several good coin shows within the next few months. Shows are excellent opportunities to sell TNA

#### **PANAMA 1974 CENTESIMO**

Although the primary product of the emergency coinage operation conducted at the West Point bullion depository has been U.S. cents, the facility also conducted a test striking of U.S. quarter dollars in 1975 and 1977. Additionally, in 1975 the West Point coin presses struck 10,000,000 1974-dated bronze one centesimo coins for Panama and 10,000,000 of the same denomination in 1977. The 1974-dated coins can be attributed to the West Point depository, but since coins produced at the mint facility do not bear a mint mark it is impossible to distinguish between the U.S. cents struck at Philadelphia and those produced at West Point. - 1979 Coins Calendar

The first coinage of the Solomon Islands was issued in 1975. Until that time, British coinage was used

#### **IMPORTANT ANNOUNCEMENT!**

The deadline for submitting copy to the editor for TNA NEWS has been changed to the first of the month instead of the 5th. Please make that notation on your calendar. Banner Printing Co. mails out TNA NEWS by the 10th of the month, but we have numerous reports that members do not receive their copy until the end of the month. We can't speed up the post office, so we'll speed up the deadline in hopes to remedy the situation. The deadline for the August issue will be July 1. Don't forget!

Gary E. Lewis of Panama City, Fla. attended the April TNA convention and took time to drop us a note - "As a collector for almost 25 years and a man who appreciates good exhibits, I believe that those who recently exhibited at the TNA convention in Amarillo should all be commended for their work. I also would like to especially thank those at the registration desk who were so helpful." Thanks, Gary

We were so proud to have presented the Kalvert K. Tidwell Literary award to the distinguished Dr. Robert I. Greenwood at the convention. Dr. Greenwood submitted an article to the TNA NEWS entitled "Commemoratives and Captain James Cook" which was selected by the judges as the best article published in the NEWS for 1978. Texas Numismatic Assn

Linda Runkle Youth Chairman

For those of you who missed the TNA convention in Amarillo, you really missed a good show. There were dealers from California to New York. There also were many good exhibits and an interesting educational forum.

The convention went smoothly except for the last minute problems. There also was one problem we didn't expect. The caterer for the Saturday breakfast went out of business and didn't notify us. On Friday night after calling the number many times and receiving the same recording, we decided to discover as to what the problem was. After involving three operators, we came to the conclusion that they were no longer there. We sent someone out and they were closed up - out of business. Then came the big task of finding a new caterer. We got laughed at, accused of joking, and being hung up on. Then came the last resort - "McDonald's."

The Turks and Caicos Islands first minted coins in 1966. Theirs is the only coinage in the world to state on its edge that they are redeemable in U.S. currency.

They served us the best breakfast we ever had at a convention!

I was disappointed in the turnout of junior exhibits from out of town - none. We did have a nice Pizza party. Thirteen were there. Not a large group but it was a lot of fun.

I want to congratulate Steven Remedes of Grapevine for being Junior VIP for 1978. I had so wanted to meet Steven but he was unable to come to Amarillo this time. I would like to thank all of you who came to the convention. NOW it is time to start planning for the next convention in Houston. DON'T MISS IT!

## CROWNS OF THE WORLD Ca. 1500 - 1900 BUYING and SELLING

This has been my specialty for a number of years. European, Latin, Mexican and Asian rarities are offered in my monthly catalogs. These highly illustrated catalogs are becoming collectors items themselves and are available on request to serious collectors. I have continually been the most active dealer in rare crowns paying high prices for choice material from collectors, dealers and auctions. Please contact me if you have coins for sale.

## DISTRICT IV -

Members of Waco Coin Club hosted the annual coin show and also sponsored a TNA District 4 meeting on April 7-B at Waco Convention Center

Speaker for the educational program was Charles H. Neuenschwander of the Austin Office of the U.S. Secret Service. He noted that coin counterfeiting (except for rare coins not used in commerce) is a very minor problem as contrasted to paper money counterfeiting. Of late, the \$20 bill has been the most counterfeited. The speaker exhibited some counterfeit \$20 bills which had been printed and passed in Waco. He noted the counterfeiter had drawn a seven-year sentence but was released after serving about one third of his sentence.

J P Jones, club secretary, presided over the meeting. Lyman Bartee, president-elect to TNA, closed the meeting

Lee Grossman spoke on "Roman Coins" at a recent meeting of **Alamo Coin Club** of San Antonio followed by an auction. Prize winners were Del Cooke, Bob Krocker and Andrew De La Pena.

Frank Galindo  
Governor

At a later meeting Ray Whyborn gave a talk on Iran as it was up to the time he was evacuated. Some of the information was generally known because it had been reported by the news media. Most of the information though was new and gave a rather different view on Iran and their con-

tinuing problems. De La Pena won all three prizes in the special drawing.

Collecting coins by design was the topic selected for a talk by John Allen at one of the two April meetings of **Liberty Coin Club** of Corpus Christi. His presentation included a review of various ways individuals collect coins. Since only a few can still collect by date and mint marks, type sets, year sets and other sets not requiring one coin of each date and mint mark are a popular route taken.

Attendance prizes were won by Thomas Jasek and John Allen. - Club Bulletin

Sidney King Beaumont attorney and avid coin collector, was speaker at the March meeting of Greater Port Arthur Coin Club. He spoke on income tax and the coin collector. There

are three different categories. King said "Some of us are collectors, some are investors, and some are dealers. The tax status is different for each. It is absolutely essential to keep good records. A dragon named 'capital gains' can get you (or your estate) if you don't. The worst thing that can

happen is IRS, unable to find proof on what you paid for a coin, will assume you got it at face value and tax the difference between its face value and selling price on the basis of capital gains. IRS assumes you are guilty until you prove otherwise." - Club Bulletin
